## About Us

Our Brand ESKAY-BOND is one of the well growing and knowing adhesive brand in India. Our company engaged in 2017 and by entering 2022 we are working in 3 states, 35 Districts mostly in Maharashtra, Gujarat and Rajasthan. We are trading with more than 2500+ shops, which includes plywood and hardware. To whom we are regularly working and we are extremely thankful to our Distributors, Dealers and mainly end to end customers for trusting our products without your support it was very difficult to sustain in this competitive market.

We are glad to say that when we came in the market we were having 3 quality with the name **Platinun , Gold & Woodlam**. And now we have launched more 5 products with name **Platinum Xtra, Strongfit, PVC, Pro Heat & Masking Tape**. So now we are with 8 product and many more to bring. Our R & D team always tries to bring new and satisfying quality. We always prefer to give best to our trusted customers.

Platinum Extra+

मजबूती का नंबर 1 भरोसा

# Eskay Bond Platinum Extra+

Eskay bond platinum Extra + is Cross Linking adhesive in emulsion form  
It is PVA based with a High Solid Content to Provide high Stength  
It reduces chance of Bubble Formation  
It is Excellent Resistant to Water grease and Oils  
It is Non Flammable and Free From Offensive Odour

## Applications areas

Wood to wood bonding  
Wood/plywood to decorative laminates handicrafts.  
Furniture industries

## Setting time

- Normally 60 to 110 mins in ordinary conditions

## Packaging

- Pouch packing 800 gm, 900 gm

## Features

Water Resistant    ▪ Cross Linking    ▪ Exta Bonding  
Fast Setting        ▪ High Viscosity    ▪ Anti Termite.

## Coverge

40 to 45 sq ft /per Pouch

## Storage

Can be stored for 6 months.  
But longer if stored & protected from direct sunlight & heat.

मजबूती का नंबर 1 भरोसा
