COMPANY PROFILE

INTRODUCTION

Welcome to **Growmore Adhesive Pvt. Ltd.**, formerly **Eskay Bond**. Since our inception in 2017, we've been dedicated to becoming a trusted name in adhesives throughout India, with a strong focus on Maharashtra and Gujarat. We are proud to collaborate with over 3,000 shops, including specialized plywood outlets.

Starting with three main products-**Platinum, Gold, and Woodlam**-we've significantly broadened our offerings. By the end of 2022, our product line had grown to twelve distinct types, thanks to ongoing feedback from our customers and the hard work of our R&D team.

We sincerely appreciate the trust and support of our **distributors, dealers, and end users**. Your loyalty has been crucial in helping us thrive in a competitive landscape. Explore the images and descriptions of our full product range below. We're excited about the future and eager to continue serving you with excellence..
